

EN PASSANT_A tech debate

Event name: EN PASSANT

Event venue: College campus, SCT CE

Date: 19/02/2015

Entry criteria: Only for Engineering Students

*“It is better to debate a question without settling it than to settle a question without debating it.”
– Joseph Joubert*

Debate will be conducted over technologically relevant and innovative topics that are related to EC and CS departments. By conducting debate on these topics we mean to measure the consciousness and attitude of our present generation towards the past, present and future technologies. At the same time this event tries to discover young talents who are technologically sound and to encourage them in a way we can.

Rules:

- Each team will be allowed a total of two members.
- Screening will be held in different rounds depending on total no. of teams.
- Topics will be provided to the team just before the commencement of debate.
- The teams that qualify the screening rounds and the final winners will be selected by prominent judges.
- No queries after the declaration of results would be entertained.
- Participants should maintain proper code of conduct.
- He who asserts must prove. In order to establish an assertion, the team must support it with enough evidence and logic to convince an intelligent but previously uninformed person that it is more reasonable to believe the assertion than to disbelieve it. Facts must be accurate.

- Each member of the team must contain the identity card of his/her respective institute.
- Faculty-coordinators have all the rights to take the final decision for any matter during the event.
- Violation of any of these rules may result in disqualification.

Note:

*Certificates will be given to all the participants.

*more clear cut format of the debate will be disclosed at the time of debate.
